Preface

The Tanzania Commission for Universities (TCU) through its mandate as spelt out in the Universities Act, Cap. 346 of the Laws of Tanzania in collaboration with the National Council for Technical Education (NACTE), National Examinations Council of Tanzania (NECTA), the Higher Education Students Loans Board (HESLB) and higher education institutions (HEIs) coordinate student's admission through Central Admission System (CAS) which has been in operation since 2010/2011 academic year. Annually, through the system, applicants who want to apply for admission into HEIs are able to lodge applications online and be selected to programmes of their choice centrally. The selection processing is based on the minimum programme entry and other requirements of each institution in the country including admission capacity and other parameters. The decision on the actual admission of applicants is then made by the individual institutions through their Governing Boards and Senates.

The Undergraduate Student Admission Guidebook is meant to provide the applicants with basic information on matters related to the entire process of admissions through the Central Admission System. The Guidebook indicates the programmes offered in each higher education institution as approved by TCU or NACTE. In addition, it indicates the minimum entry requirements, institutional admission capacity, fee structure for each programme, maximum loanable amount for programmes of national priority and other relevant information (For more information on Loans the applicants are advised to refer to the Guidelines and Criteria for Issuance of Student Loans and Grants for 2016/2017 academic year issued by the Higher Education Students' Loans Board).

The Guidebook provides a step-by-step procedure on how to apply through CAS using the Internet. **Applicants are therefore, strongly advised to read the Admissions Guidebook before they start lodging their applications. For further inquiries, prospective applicants and the general public are advised to contact TCU through the addresses indicated below:**

July 2016

1. Introduction

The Tanzania Commission for Universities (TCU) in collaboration with the National Council for Technical Education (NACTE) has prepared this Undergraduate Students Admission Guidebook as a tool to simplify the admission process in the country. The Admissions into higher education institutions is processed through Central Admission System (CAS). However, under special circumstances some applicants may be allowed to apply directly to individual institutions. Such applicants may include those with Bachelor Degrees. Through the Central Admission System applications can be lodged through the Internet. The process is interactive in such a way that the applicant can easily and conveniently follow the instructions given by the system in the course of lodging an application. In addition, the Guidebook has the following information:

- Important dates to be adhered to during the application process;
- List of CAS participating institutions
- Programme codes for each Programme
- Minimum entry requirements for each programme;
- Application fees and procedures for payment;
- Maximum loanable amount for priority programmes (For more information on Loans refer to Issuance of Loans Guidelines and Criteria for academic year 2016/2017 issued by HESLB);
- Categories of applicants eligible to use the Central Admission System;
- Procedure for application through Internet
- Other services offered by the Central Admission System.

* NB: An almanac with specific dates will be issued for every admission cycle

2. Admission into Higher Education Institutions for Applicants with Form Six qualifications

The admission of applicants with Form Six qualifications into higher education institutions will be done through Central Admission System and will involve the following categories:

- a) Form Six applicants who completed their Form Four Secondary Education from the year 1988 onwards;
- b) Applicants with Foreign Certificates who completed their secondary education through different education systems;
- c) Applicants with Recognition of Prior Learning (RPL) qualifications who completed their RPL examinations from 2013 onwards.

Note : Applicants who completed their Form Four Secondary Education before 1988 may also apply through CAS but they should follow same procedure as holders of foreign certificates ONLY that they do not need to get NECTA equivalence for their certificates.

2.1. Applicants should NOTE the following:

- i) All applicants will apply through the Central Admission System which is available on TCU websites: www.tcu.go.tz
- ii) Applicants will be required to choose 3-5 programme choices with maximum of two programme choices from one institution basing on programme requirements given in the 'Undergraduate Students Admission Guidebook for Higher Education Institutions' available on TCU website.
- iii) All applicants are advised to follow the stages for **REGISTRATION** and **APPLICATION** carefully to avoid any inconveniences.

2.2. Mode of payment for Form Six Applicants

Application fee for Form Six – NECTA and holder of Form Six foreign certificates will pay direct to TCU; and below are the important instructions to follow:

- a) Tanzanians will be required to pay a non-refundable application fee of TSHS.50, 000/- payable through Maxmalipo Agents, M-Pesa, TigoPesa, Airtel Money and Ezy-Pesa.

They must also attach their valid personal emails or mobile numbers for communication purpose.

NOTE:

1. Applicants are advised to read carefully the admission requirements of each programme they anticipate to apply in the Undergraduate Students Admission Guidebook before finalizing application process in order to avoid problems that may arise due to failure to follow appropriate instructions.
2. Holders of Advanced Certificate of Secondary Examination who do not have at least **Two Principal Passes** in their A level results with a total of 4.0 points (see table 2) are advised not to apply as they do not meet the minimum requirements to be enrolled in any degree programme offered by higher education institutions.
3. Applicants with foreign certificates will be required to submit their certificates to National Examinations Council of Tanzania (NECTA) for equivalence. To download equivalence form visit: <http://www.necta.go.tz/fomu.html>.
Before lodging applications, applicants with foreign certificates are required to submit to TCU the following documents for verification purpose:
 - i. Certified copy (copies) of equivalence letter obtained from NECTA;

5. Applicants are advised to use the new revised edition (2016/2017) of the Undergraduate Students Admission Guidebook which is available on TCU websites: www.tcu.go.tz

3. Types of Higher Education Delivery Modes

Applicants should note that there are two modes of higher education delivery, namely, Conventional or Regular mode and Open and Distance Learning (ODL). Conventional mode of programme delivery is classroom-based while Open Distance Learning is a mode where there are no regular classes. Students under the ODL mode conduct their study using *self-instruction materials* and *structured face-to-face interaction* with their lecturers or instructors.

Applicants should thus bear in mind that all programmes offered by the Open University of Tanzania (OUT) are delivered through ODL mode. There are no regular classes or continuous interaction with lecturers/instructors at the Open University of Tanzania. Likewise, some programmes offered by Kampala International University-Dar es Salaam Constituent College (KIUDCC) are also through the ODL mode.

4. Central Admission System (CAS) Participating Institutions

The Government directed from 2010/2011 academic year onwards that higher education institutions should admit students through the Central Admission System (CAS). **Table 1** shows the list of participating institutions in CAS for 2016/2017 academic year.
